 Rexulti  
 Thioridazine  
 Thiothixene, Navane  
 Trifluoperazine, Stelazine  
 Vraylar  
 Ziprasidone, Geodon

**SLEEP MEDICATIONS:**

Belsomra  
 Cyproheptadine, Periactin  
 Eszopiclone, Lunesta  
 Melatonin  
 Ramelteon  
 Temazepam, Restoril  
 Trazodone  
 Triazolam, Halcion  
 Zaleplon, Sonata  
 Zolpidem, Ambien

**Medical History:**

Primary Care Doctor: \_\_\_\_\_ phone: \_\_\_\_\_

What medical illnesses do you have?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

What surgeries have you had?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Do you have a history of head trauma? If so, please explain.

\_\_\_\_\_

Allergies: \_\_\_\_\_

**For women:**

Last menstrual period? \_\_\_\_\_

Usually regular? YES / NO

Do you use birth control? YES / NO

If yes, please list: \_\_\_\_\_

Have you been pregnant before? YES / NO

If yes, how many times: \_\_\_\_\_

Elective abortions? YES / NO

Have you ever had depression or changes in your thoughts during/after pregnancies? YES / NO

Have you recently had any of the following symptoms (please circle):

- |                          |                     |                              |                           |
|--------------------------|---------------------|------------------------------|---------------------------|
| Fevers                   | Chest Pain          | Acid Reflux                  | Decreased sex drive       |
| Chills                   | Shortness of Breath | Joint Pains                  | Problems reaching orgasm  |
| Unexpected weight change | Heart Palpitations  | Muscle pains/tension         | Infertility               |
| Weakness                 | Cough               | Pain or difficulty urinating | Easy bruising or bleeding |
| Numbness                 | Sore throat         | Dental problems              | Rashes                    |
| Episodes of passing out  | Nausea/Vomiting     | Changes in vision            |                           |
| Problems walking         | Diarrhea            | Changes in hearing           |                           |
| Headache                 | Constipation        | Hot/cold flashes             |                           |

Have you ever used the following substances?

- |            |                                |                   |             |
|------------|--------------------------------|-------------------|-------------|
| Tobacco    | Opiates                        | Cocaine           | Other _____ |
| Alcohol    | (heroin, pain killers, etc)    | PCP or LSD        | _____       |
| Marijuana  | Tranquilizers                  | Mushrooms         | _____       |
| K2/"spice" | (xanax, ativan, klonopin, etc) | Anabolic steroids | _____       |

Have you ever been to rehab for substance use? If so, please explain.
